TO Petition Response Request for Order Responsive Declaration to Request for Order
 Other (specify):

This section is for information only and is not a part of your request for orders:

California's public policies and law on child custody and visitation include that:

- In general, children should have frequent and continuing contact with their parents, and parents should be encouraged to share the responsibility of raising their children, except when domestic abuse has happened or contact with a parent is not in the best interests of the children.
- When making any orders about physical and legal custody and visitation (parenting time), the court must consider the best interests of the child, which primarily include the health, safety, and welfare of the child.
- If a parent has been abusive, judges use laws to help protect children when deciding to make orders about child custody and visitation (parenting time). A judge may deny an abusive parent custody or unsupervised visitation with a child.
- Children have the right to be safe and free from abuse.
- A child's exposure to domestic violence and domestic violence committed where a child lives are detrimental to the health, safety, and welfare of the child.
- For more information, read selfhelp.courts.ca.gov/child-custody#best-interest and selfhelp.courts.ca.gov/domestic-violence-child-custody
